Re: **Summary of Survey of Blood Transfusion Practice in the State of Indiana 2005**

Thank you for participating in the Survey of Blood Transfusion Medicine in the State of Indiana 2005. The results were reviewed and made available at the 2005 ISABB State Meeting. Attached is the copy of the results.

We hope that you will find the information interesting and helpful for benchmarking with other facilities in the state and region.

Attached for your review:

- A Powerpoint summary of the survey findings.

We hope that you will plan to participate in the 2006 survey.

The next transfusion medicine survey will be routed in July-August 2006.

We hope that you will plan to attend the
2006 ISABB Annual Meeting,
September 13 and 14th, 2006.
Indianapolis, IN
Marten House Hotel and Conference Center.
